EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

To the Claims

Cancel claims 18 and 19.

AUTHORIZATION

Authorization for this examiner's amendment was given in a telephone interview with Mr. Sivos on November 20, 2006.

Remarks

These claims are cancelled in that the subject matter claimed therein has already been incorporated into the independent claim. As the independent claim contains language as to "one of Al, W, Cu, Ti and a silicide", the subject matter of claims 18 and 19 are redundant and do not further limit the claimed subject matter.
